Subject: Common Purpose Query

Hi Alan,

Thank you for your recent query (reproduced below).

Message:

I would like to be reassured that the information about your organisation being put out by Brian Gerrish in Plymouth is totally without foundation and inaccurate.

I can reassure you that these allegations made by Brian Gerrish (and picked up by the BNP, CIB and David Icke) are wildly inaccurate. We are an apolitical organisation dedicated to increasing the competency and connectedness of leaders (however they define themselves).

A letter from our trustees addressing this issue can be found here:

Common Purpose gives leaders the inspiration, the knowledge and the connections they need to produce real change.

Have you seen our website about how Common Purpose is developing better leaders at work and in civil society?
