Julia

Short answer is 'not yet'. [REDACTED] finalising plans on this and will be in touch as soon as she returns Monday week.

Thanks

Jonathan

Dear Jonathan

I wonder if you have clarity ahead of your budgets? We are very eager this end to get going to identifying the women for the programmes with your colleagues assistance. Also to set a date for those who have been on programmes over the last year to meet as we discussed.

Delighted that we have the date in Nottingham

Love Julia

Julia Middleton
