Subject: Common Purpose Profile - Can you help?

Dear Advisory Group

I hope that you are well and that the long-awaited brighter days are making 2008 a little lighter.

I am writing to ask whether you might be able to contribute to the production of the 2008 Profile recruitment packs? We will be sending out approximately 250 packs this year and as you can imagine, both in terms of printing and posting, this leads us to incur a significant cost. We will be printing the packs ourselves but I wondered whether you could help us with the postage. Each A4 envelope would contain approximately ten A4 sheets of paper and a Common Purpose brochure. I would be happy to bring the packs to you if you were then able to send them out. We would of course be delighted to acknowledge your support in the pack and in our forthcoming graduate bulletin in return.

I am aiming to send the packs out tomorrow/Monday so I realise my request comes very late, but if you were able to help, I'd be hugely appreciative. Many thanks in advance for considering this and I hope to hear from you soon.

Kind regards
Sarah
