Dear Common Purpose Graduate

I hope you are keeping well.

We are currently in the process of recruiting for the 2005 Plymouth Matrix Programme which starts in early next year. As you will know from experience, this is an excellent opportunity to step back and see the bigger picture. We are very interested in casting our net wide to ensure that we get a diverse group of talented individuals who have a real stake in the city. To that end I am writing to ask for your nominations for potential participants for the programme.

I have attached a participant proposal form onto which you can input the name and contact details of persons who you believe would benefit from attending the Common Purpose Matrix Programme. Please respond by return email.

With best wishes
