Dear Mr Green

### **FREEDOM OF INFORMATION REQUEST**

I refer to my earlier response of this date to your request for information dated 26<sup>th</sup> February 2009.

Within my response to question 6 I inadvertently indicated that the Constabulary held a minute of one Advisory Group Meeting, which was relevant to your request and disclosed to you a copy of a previously released minute. That minute (or action points as it is in fact headed) actually referred to a meeting on 5<sup>th</sup> December 2006 and not 2007 as my response indicated.

The Constabulary does not, in fact, hold any minutes of Advisory Group Meetings held between November 2007 and May 2008.

I apologise for any unintended confusion my earlier reply may have caused.

#### Complaint Rights

Your attention is drawn to the attached sheet which details your right of complaint.

I would like to take this opportunity to thank you for your interest in Cumbria Constabulary.

Yours sincerely
