Dear All

Just a quick note to let you know that the inaugural Lancashire Common Purpose programme has got off to a flying start.

Find enclosed the list of participants who have embarked on the 11 day Matrix programme. After all our hard work, I am sure you will be pleased to see the fruits of our labour. We were successful in building a very strong group of 30 senior, and diverse leaders. Almost one third of the group joined the group as a result of introductions from the Advisory Group. It would not have been possible without you!

The group met 5th and 6th May for the 2 day residential. As you know, they will meet one day a month until February 2006. I look forward to working with you to build a powerful curriculum.

I will be in touch soon with details for our next Advisory Group meeting, 29<sup>th</sup> June 8.30am-10.30am.

Kind Regards

*Andrea Cooper*
