

### **Robert Peston, BBC Business Editor**

**“Common Purpose has for years done brilliant work in forging valuable links between the private, public and voluntary sectors. And it has helped to make better citizens of individuals and institutions.”**

### **Richard Sambrook - Director of the BBC's Global News division**

**“There's a whole new generation who see both party and office politics as irrelevant to their lives. They're looking for their own ways to change the world. And they're looking to Common Purpose to help”**
